NAME.....ADDRESS.....

POSTCODE.....
 PHONE NUMBER.....ORDER NUMBER*.....
 EMAIL ADDRESS.....

**(If applicable, you receive this number in your email order confirmation)*

As standard, we use our discretion in deciding if a clipper is economical to repair and carry out work accordingly.
 Alternatively, please choose another option (tick box):

- Please go ahead with any repairs / servicing up to a total cost of £..... or quote if cost exceeds this amount.
- Please call with a quote for repair regardless of cost

During autumn, when we are at our busiest we often work unsociable hours in order to keep the turnaround time on service and repairs to a minimum. Please use this space to note the latest you would like us to call with a quote and/or to take payment. We will make contact via email or text message outside of these hours.
